VACATION OR SHORT-TERM RENTALS

Any owner found to be in violation of the short-term rental/transient tenancy policy will be called to a hearing and face potential fines. If you discover a listing on Airbnb.com or any similar site, please email a copy of the listing to Kara Foley at kfoley@keystonepacific.com. You may also report the infraction to the City of Irvine as well.

NESTING BIRDS AND PREVENTATIVE TREATMENT

Each year businesses, government agencies and individuals spend thousands of dollars cleaning up after and repairing damage caused by pest birds. Nesting and roosting birds leave behind debris and droppings that can cause serious damage to buildings and property. Bird droppings are acidic and can quickly erode building materials. Along with the damage pest birds cause to buildings, their feces can carry any of 60 transmittable diseases. These diseases can be harmful to children and others with compromised immune systems. Please inspect your home to see if you are in need of a bird deterrent. If you are planning to have a preventative system installed, please submit an architectural application for review and approval.

COYOTE WARNING REMINDERS

We have seen an increase in coyote activity throughout the community. Please use caution and take a moment to review the following tips for the safety of you and your pets. <http://www.ci.irvine.ca.us/ipd/divisions/animalservices/coyotebulletin.asp>

BE A RESPONSIBLE PET OWNER

Pets must be on a leash at all times regardless of the size of your pet. Also, no one wants to step in dog feces while out walking their dog. Please pick up after your animal. Please refrain from placing used doggie bags into the planters. When the association pays a vendor to remove dog waste, it costs everyone in the association money. Problems associated with animals, including noise disturbances and defecation must be directed to Animal Control at (949) 724-7740. No animals, including dogs, cats, birds and other domesticated animals, are permitted in any pool area or common facilities at any time.
